# Motor Disconnects, Push Button Enclosures and Junction Boxes

## Product Information

For processing areas where sanitation is a concern, MENNEKES® offers the SPEC Grade Series of NEMA 4X Stainless Enclosures. Choose from Motor Disconnect Switches, Pre-drilled Push Button Enclosures, or Blank Junction Boxes. All units feature a 15° sloped roof which facilitates runoff of liquids and cleaning residue to minimize risk of contaminant harborage.

### Motor Disconnects
